

SOMETIMES LIFE  
*by Sonia Osio*

Coro

Sometimes life comes to us like a song in another language

1 ) Close your eyes  
Give life your ears  
give life your hands  
dance your fear

Coro

Sometimes life comes to us like a song in another language

2) Just breath in  
Just breath out  
Trust your heart  
give it time

A new rhythm  
can be surprising

Coro

Sometimes life comes to us like a song in another language

3 ) Rhythms of change  
New rhythms of life  
Keep peace within  
opening your mind

Coro

Sometimes life comes to us like a song in another language
