

WHITE STONE CEREMONY FOR THE NEWYEAR
by Sonia Osio Ron

Here, here I am
Humble and ready
To empower my life

Attentive to the whisper
of the spirit I am
to claim a new name
to wait for its guide

Written with the feather of the Phoenix wind
I Feed the fire in my heart
To embrace the freedom
my rebirth right

With the light of the shooting stars
My new name shines in the dark
Peaceful and ready, here I Am
the wisdom of the spirit has blessed my heart

My new name is like a seed
Where my dreams can grow and bloom
My new name is Like the sea
like the rain
like a bee
who makes life most sweet

Here, here I am
to choose a new path
New paradigm
Here, here I am
Humble and ready
